| 6. The Contractor participates in a Class A Apprenticeship Program for each trade in which it employs craft employees and shall continue to participate in such program or programs for the duration of the project. A Class A Apprenticeship Program is an apprenticeship program which is currently registered with the U.S. Department of Labor or a state apprenticeship agency and has graduated apprentices to journey person status for three of the past five (5) years. The Contractor shall provide proof of this qualification standard by submitting appropriate documentation as an attachment to the Responsible Contractor Certification. To permit development of recently registered programs, the graduation requirement of this provision shall not apply to: | <input checked="" type="checkbox"/> | <input type="checkbox"/> |

- (a) An apprenticeship training program registered within the past ten (10) years;
or
- (b) An apprenticeship program registered within the past ten (10) years if the program provides apprenticeship training for a craft or trade that was not recognized as an apprenticeship craft or trade by the U.S. Department of Labor or State Apprenticeship Council at the time the program was registered.

Any program not required to meet the graduation requirements of this section shall, in addition to providing proof that it is currently registered with federal or state government, provide evidence that the program is actively engaged in bona fide apprenticeship training activity.

- 7. The Contractor has all technical qualifications and resources, including equipment, personnel and financial resources, to perform the referenced contract, or will obtain same through the use of qualified, responsible subcontractors.
- 8. The Contractor maintains all documents necessary to ensure that all employees are United States citizens or properly documented legal aliens entitled to work under existing Federal law.
- 9. The Contractor has been incorporated and conducting business in the trade or craft for which they are bidding on for at least three (3) years. The term conducting business shall mean having completed projects either the same or substantially similar to the project for which they are bidding. If queried on this paragraph, the Contractor shall produce legal documents, photographs and references as to the longevity of their business. This review shall be conducted by the District Superintendent or the Board of Directors or their designee.

Upon receipt of a Notice of Intent to Award Contract, the Contractor will provide the District with subcontractor list and subcontractor information as specified in the Pennsbury School District Responsible Contractor Resolution.

To Whom It May Concern:

This letter is for the purpose of verifying that Cyprum Solutions, Inc. is a current member of the Keystone Chapter of Associated Builders & Contractors, and confirming that they currently have apprentices registered in the ABC Electrical Apprenticeship program. The Apprenticeship programs sponsored by the Keystone Chapter of Associated Builders & Contractors are registered with and approved by the Pennsylvania Apprenticeship and Training Council.

The PATC operates under the Pennsylvania Department of Labor & Industry, and all apprenticeship programs which they approve meet or exceed guidelines and requirements of the United States Department of Labor & Industry.

Pennsylvania apprenticeship programs fall under the jurisdiction of the State Council; however, the Office of Apprenticeship & Training (a federal agency, under the United States Department of Labor & Industry) provides supervision and conducts audits for the State Council. Thus, we meet both state and federal guidelines for registered apprenticeship.

The Keystone Chapter of Associated Builders & Contractors has the following approved apprenticeship programs:

- | | |
|---|-------------------------|
| • AC & Refrigeration Mechanic | Insulation Worker |
| • Brick Mason | Painter |
| • Carpentry (construction) | • Plumber/Pipefitter |
| • Construction Craft Laborer | • Sheet Metal Mechanic |
| • Electrician (construction) | Sprinkler Fitter |
| • Heavy Equipment Operator (Operating Engineer) | Structural Steel Worker |

For further information regarding the registered programs of the Keystone Chapter of Associated Builders and Contractors please feel free to contact me.

Sincerely,

Cynthia S. DeWire
Director of Apprenticeship
