

Welcome Back!

The Nutrition Group welcomes the students, faculty and staff back for the 2016-2017 school year.

We appreciate the opportunity your district has given us, and we are honored to be the food service management company for the upcoming school year.

Did You Know???

Students can receive a hot breakfast each morning that will count as a complete meal. Breakfast at school might be one of the best academic boost you can give your child. A number of studies indicate that when students eat breakfast, they are more alert in class, which can result in better learning comprehension, performance, and higher grades. The costs for breakfast are:

- \$1.25 for paid students
- \$.30 for reduced students
- Those students who qualify for a free lunch also qualify for a free breakfast

Breakfast is served daily in the cafeteria before the start of homeroom for the students. Last year The Nutrition Group served over 91,118 breakfasts throughout Pennsbury School District!

Pictured is an example of a complete breakfast.

Includes: French Toast, Sausage Link, Orange Juice and Milk

We pride ourselves on the nutrition education programs we offer students on the importance of living a healthy lifestyle. Look for new and colorful signs on the serving lines that include tips on how to make healthy choices, and interactive classroom lessons that make learning about nutrition fun!

Once a month we host a Wellness Wednesday event which gives the students the opportunity to try a new healthy dish and learn something new about nutrition.

We want to welcome our pre-k and kindergarten to the cafeteria this year. We hope to see you there!

The Nutrition Group meets monthly with various Youth Advisory Councils to discuss the breakfast and lunch program at a particular building. This gives the students and staff at that building the opportunity to express their thoughts and opinions about the cafeteria and the program overall. The Nutrition Group really values these meetings as it allows us to grow and evolve to better serve the students at Pennsbury School District.

The Nutrition Group is proud to introduce your Food Service Directors, whose daily presence, experience, and background will be an asset to your school district. A Regional Manager will also be available for student, faculty, parent, and administrative communication.

FOOD SERVICE DIRECTORS:

Chelsea Dolge - cdolge@pennsburysd.org
Ashley Belcher—abelcher@pennsburysd.org
Michael Magilton— mmagilton@pennsburysd.org
Phone: (215) 428-4100 ext: 18201

REGIONAL MANAGER:

Fletcher Vollmer - fvollmer@thenutritiongroup.biz
