

CUB SCOUTING

Cub Scouts is a year-round program that offers fun activities that promote character and leadership development. Our program is designed to be hands-on, and parents are encouraged to play an active role in our programs.

Scouting embraces the outdoors through camping, hiking and water sports. We also focus on helping our communities through service projects, STEM development and building confident kids through our wide range of activities. The Pack 95 Cub Scout program is designed to develop physical, mental and emotional fitness. Fitness includes the body (well-tuned and healthy), the mind (able to think and solve problems), and the emotions (self-control, courage, and self-respect).
