Title: Residence and Right to Free School Privileges

Purpose: This policy establishes the conditions under which students may be accepted and enrolled in Pennsbury schools.

This document, Index No. 202.3, replaces former Board Procedure 1400 of November 14, 1977.

Policy: All resident children between the age of five and 21 years of age may attend the Pennsbury School District. A child is eligible if his/her primary residence is within the Pennsbury School District. When a child's parents reside in different school districts due to separation, divorce, or other reason, the child may attend school in the district of residence of the parent with whom the child lives for a majority of the time. If the parents have joint custody and time is evenly divided, the parents may choose which of the two school districts the child will enroll for the school year.

It is the policy of the Pennsbury School District to provide non-resident school children free school privileges only under the conditions indicated in Section 1302 of Article XIII, Public Law 30, March 10, 1949, as amended, (the Pennsylvania School Code).
