

Volunteer Clearances

The well-being and safety of all students are a top priority at Pennwood Middle School. Please be aware that parents who volunteer (more than once) in the school, and parents who volunteer to be a field trip chaperone must obtain prior background check/clearances in advance. This will be strictly enforced to comply with district policy and ensure the safety of the children and protection of the volunteers. Please click the links below for the revised district volunteer policy and forms which include required clearances for the 2015-2016 school year.

Please be aware that background/safety clearances may take four weeks or longer to obtain. If you are interested in being a chaperone, please plan accordingly and obtain your paperwork early.

NOTE: Clearances will need to be renewed every 60 months.

Once you have obtained your clearances, volunteers must meet with the building principal to review the ORIGINAL copies of the requested documents. No copies will be accepted. Copies of the documents will be made by the principal and will be kept on file. You may call the main office to schedule a mutually convenient time to review the clearances with the principal.
