December 7, 2021

Dear Pennsbury Community,

The Pennsbury School District has partnered with Rite Aid Pharmacy to organize a voluntary vaccination event for our students ages 5 - 11. This is for the two-dose vaccine from Pfizer.

We are happy to announce that we have finalized plans for the event.

- The event will take place on a **Sunday, December 19, 2021**, between 9 a.m. and 5 p.m. at the PHS East Campus Cafeteria.
- A parent or guardian must be present with the student during their vaccination.
- All students must be 5 - 11 years of age by December 18, 2021.
- A Rite Aid pharmacist will administer the two-dose Pfizer vaccine. The second dose will be administered three weeks after the first dose. We will hold a second event for the second dose on **January 9, 2022**. **You will keep the same appointment time for the second event.**
- The COVID-19 vaccine is available at no cost. If a family has private health insurance, the health insurance is charged, but the family is not.
- The parent/guardian will need to bring a photo ID, health insurance card for the student (if applicable), and the [Rite Aid Vaccine Consent form](#).

If you are interested in having your child participate in this voluntary event, please sign up for an appointment time using the link below.
