# Expectations for Students

- Remote Learning/Attendance Expectations

- Students are expected to attend school according to PDE for 180 days throughout the 2020-2021 school year.
  - Students are expected to participate in each scheduled virtual session.
  - Daily attendance should be taken at the elementary level by each teacher.
  - Google Classrooms
  - Synchronous (same time)/Asynchronous (independent practice) opportunities
  - Live interactions with teachers
  - Quiet work space
  - Cameras on/microphones off
  - Participate in activities, discussions, class assignments
  - Synchronous sessions will be recorded and posted in case a student needs to view later.
  - Classroom and school rules still apply
  - Students are expected to be dressed properly and ready to learn
  - For the safety of our students no videos or recordings are permitted at any time
