December 10, 2021

Dear Pennsbury Families,

Earlier this fall we announced that we were piloting an app that allows families to view their child's bus schedule and bus location in real-time. This easy-to-use, all-in-one app allows you to have the most accurate information about your student's bus schedule at any time from anywhere. We are pleased to share that we are expanding [Stopfinder](#) to all district families beginning Monday, December 13, 2021.

Families will receive an email from [@stopfinder.com](#) on **Monday** with details about how to activate the subscription and set bus arrival and departure alerts. Stopfinder can be downloaded for free from the App Store or Google Play. There is no cost to families to sign up. **Please note: the Stopfinder invitation will expire after seven days.**

As part of our Transportation program improvements, we hope the addition of Stopfinder will help to support families, particularly as we work through the nationwide bus driver shortage. Stopfinder will allow you to view your child's bus schedule and set up real-time arrival notifications. The app also provides an opportunity for private messaging with the Pennsbury Transportation Department.

Thank you for your support and continued patience as we strive to provide better service to our Pennsbury families.

Please email transportation@pennsburysd.org with any questions regarding Stopfinder.

Sincerely,
Thomas A. Smith Ed.D
Superintendent of Schools
