Dear Pennsbury Families,

I am writing regarding the nationwide school threats circulating on social media. We share this information with caution because we do not want to add any credibility to these threats. We have no evidence of anything related to Pennsbury or any Pennsbury school, but it is important that we work together to ensure the safety of our students and staff. As a precaution, we are working with local law enforcement to ensure that they are aware of these threats and can provide support as necessary.

Please help us by speaking with your child(ren) to help underscore the importance of reporting any concerns related to school safety.

Sincerely,

Thomas A. Smith, Ed.D.
Superintendent of Schools
