Aug · 2016

To the Guardians of

Welcome to a new school year! This letter contains important information on Pennsbury's Home Access Center, emergency messaging, and your child's bus stop for morning pick-up.

HOME ACCESS CENTER

Your family's demographic and contact information, as well as report cards (and assignment grades for secondary students), will be available this year through Home Access Center. If you have not done so already, please register for the Home Access Center by visiting the District site, www.pennsbury.org, and click on the icon that appears in the upper right corner of the homepage. Should you need to make any changes to the information on file, a personal visit to your child's school office will be necessary so that you may complete a Demographic Change Form.

EMERGENCY MESSAGING

Once again this year, Pennsbury will be utilizing an automated telephone, e-mail and text message service through a company called Blackboard. This system enables us to personally contact you in multiple ways when there is an emergency situation or urgent message. Families are invited to opt-in to receive text messages. In order to comply with FCC regulations, you will receive texts from the District and your school ONLY if you provide specific numbers in writing for this purpose. Remember to visit your school office in person when it becomes necessary to update any contact information.

BUS STOP

The bus stop and pick up time for your child appear below.
