

Walt Disney Elementary School Pantry Announcement

At Walt Disney Elementary School, we are always looking for ways to support our local community. We are excited to announce that Walt Disney Elementary School will be opening a pantry to help Pennsbury families in need. While we are still in the planning stages, we wanted to share this exciting information with all of you. We anticipate the pantry opening in the summer of 2021, however we are hopeful that we will be able to offer this to Pennsbury families even sooner. When the pantry is stocked and open, we will notify families so that they may take advantage of this wonderful opportunity.

If you are interested in donating items to our pantry, please see the list of items we are collecting below. Please be sure to check all expiration dates before donating items. There will be a collection box in the vestibule of the school for students, staff and community members to leave the requested items. We thank you in advance for your support and can't wait to be able to offer this to our Pennsbury families in need.

Thank you,

Laurie A. Ruffing, Principal
