November 16, 2022

Dear Pennsbury Families,

On Friday evening, November 18, the first marking period report cards will be available through PowerSchool. This is a change in practice from previous years (we are no longer using Home Access Center). If you need assistance finding this information in Powerschool, you can find it [here](#). If you need help accessing your PowerSchool account, follow [this link](#). If you need further assistance, please contact [parenttechhelp@pennsburysd.org](mailto:parenttechhelp@pennsburysd.org) or call 215-428-4117.

Over the next few years, we will begin to review our reporting and assessment practices with a focus on supporting the learning process, encouraging the success of all students, and ensuring student understanding of classroom material.

We are fortunate that we can undertake this important work because we have excellent teachers and educational professionals who work hard to support their students. We are also fortunate that our Board of Directors is committed to providing guidance that will ensure students are provided a fair, consistent, and equitable educational experience in our schools. I will share details as we work to improve the educational experience in Pennsbury.

Thank you for your continued support of the Pennsbury School District

Thomas A. Smith, Ed.D.  
Superintendent of Schools
