Dear Pennsbury Families,

As the first week of school comes to a close, I wanted to say how wonderful it has been to see our school buildings bustling with students and staff members again! The start of the school year is always exciting and filled with promise, but it is also not without its challenges.

I am aware of the issues some families have faced this week regarding transportation. Our transportation department worked hard over the summer to prepare bus routes and, despite our best efforts, we faced some challenges during the first few days. Many issues are resolved and we are working to address any remaining issues. Please email transportation@pennsburysd.org for bussing issues. We appreciate the hard work and commitment of our drivers and Transportation staff and we are thankful for your patience.

Additionally, we understand some families may have missed the emails related to PowerSchool and/or encountered login issues when trying to access our new student information system. For help with PowerSchool, you can contact your child's school directly. I am confident that as we move forward, families will find this system helpful and easier to navigate than our previous student information system. Again, I appreciate everyone's patience and the dedication of our Technology staff as we work to improve Pennsbury.

I wish you a relaxing and enjoyable Labor Day weekend!

Sincerely,

Thomas A. Smith, Ed.D.
