134 YARDLEY AVENUE • P.O. BOX 338 • FALLSINGTON, PENNSYLVANIA 19058-0338

August 23, 2022

Dear Pennsbury Families,

As a follow up to our previous email, bus information should be available through PowerSchool beginning tomorrow (Wednesday) evening. **Click on the Transportation icon.** If you still need assistance accessing your PowerSchool account, contact: parenttechhelp@pennsburysd.org or call 215-428-4117.

As we shared previously, please be aware of the following:

- Some bus routes and drivers have changed. We recognize the important relationships that many students have with their drivers, but this is a necessary change as we work to improve travel times.
- Our buses average over 20 stops on each run. Please help us be more efficient by being on time to your stop and being mindful of creating potential delays (e.g. taking multiple first day pictures).
- To improve student safety, we have added cameras and audio on all district buses.
- We have refined [Stopfinder GPS Tracking](#) for our buses. Look for an email from the transportation department with details on how to register for Stopfinder. If you signed up last year, you do not need to sign up again.

We have excellent, caring, drivers whose goal is to transport our students safely to and from school each day. Please help support their work.

Questions? Please email transportation@pennsburysd.org

Sincerely,

Thomas A. Smith, Ed.D.
