Dear Pennsbury School Community,

Social media plays an undeniable role in the lives of our students. When used correctly, it can be a valuable tool. When it is misused, the results can be devastating. Apps such as Snapchat and TikTok provide ample opportunities for young people to share personal information and sometimes make hurtful comments. In fact, most in-school incidents start outside of school, on a personal device, which then impacts our school climate and culture.

As part of the district's commitment to supporting our students, we are pleased to offer a presentation on the impact of social media and cyberbullying to our families and students.

What: LIKE – [A documentary about the impact of social media on our lives](#) and a discussion with the Falls Township Police and the Pennsbury School District immediately following.

When: Feb 12, 2024

Time: 6:30 PM - Total program length: 90 minutes
