Dear Pennsbury Families,

I am writing to remind you about two great programs that we are providing. We hope you will join us.

What Do Children Need to Thrive? - How to Raise a Child to be Healthy First, a presentation by George Scott.

September 29, 6:30 - 7:30 pm

Location: PHS East Auditorium. [Please click here to access the livestream on the Pennsbury YouTube Channel.](#)

As we return from the pandemic, the mental health of our students is a major focus. Mr. Scott will discuss how we can help children be healthy.

Pennsbury Social Media Night

October 3 @ 6:00pm

Location: PHS East Auditorium

Struggling with your children and the impact of social media? Learn the effects of social media on our brain, our lives and how we can navigate it more safely. We will show the short documentary [LIKE](#), and the Falls Township Police Department will attend to discuss how they handle issues on social media. Due to copyright limitations, this presentation cannot be streamed.

Your partnership is an important part of our efforts to improve education in Pennsbury. We have developed the Pennsbury Parent/Family Academy to share information about the programs that will benefit your child. A schedule of our upcoming programs is [available here](#).

Sincerely,

Thomas A. Smith, Ed.D.
