Dear Pennsbury School District Families,

The Lower Makefield Township Police informed us that they have taken an individual into custody who was overheard at a local store earlier this afternoon making an alleged threat against Pennsbury High School, Charles Boehm Middle School, and Village Park Elementary School. We believe the individual may have attended these schools. Officials say the threat was non-specific because the individual did not state details or dates/times. As a precautionary measure, we requested a police presence in and around the buildings mentioned during dismissal.

We are thankful for the swift response by the Lower Makefield Township Police. As always, we are grateful for our partnerships with our local police departments, and we appreciate their efforts to ensure our students and staff are safe.

We recognize that sending this letter may heighten your concern, particularly during the start of the school year, but we are committed to timely communications related to matters involving student and staff safety. This is an unfortunate reminder that the Pennsbury community is not immune from the realities of the times in which we live.

Sincerely,

Thomas A. Smith, Ed.D.
