The New Payment System for School Cafeteria Accounts (Formerly known as Parent Online)

- If you have an existing ParentOnline account you **DO NOT** need to create a new account in SchoolCafé. Parent usernames, passwords, and credit card information have been carried over to the new system so you do not need to worry about the hassle of setting up a new account.
- You can still view and manage your student's cafeteria account by setting restrictions/limitations on food, beverage or snack purchases.
- Make secure online payments at anytime and anywhere with the easy to use iPhone or Android App. Just download to your phone or tablet. Payment may take up to 24 hours to be reflected on an account.
- Set up low-balance alerts and automatic payments. Payments are limited to a \$10 minimum and \$100 maximum per transaction. Please note that there will be a \$1.95 transaction fee.
- Visit the website www.schoolcafe.com for more information on these exciting new changes.
