## Live from Pennsbury High School It's . . . *Thursday Night Live!*

Pennsbury High School's Thespian Troupe 830 presents *Thursday Night Live!* *Thursday Night Live!* is a fundraiser/improv show in the style of the famous SNL. It will be performed on one night only, Thursday, October 24, 2024, at 7pm in the Orange Auditorium (aka The Cave) at Pennsbury High School West, 608 South Olds Boulevard, Fairless Hills.

*Thursday Night Live!* is student produced by Emma Pepe and Charlie Block along with a team of student writers and directors including: Charlie Block, Emily Carlin, Ty Decker, Khloe Emmett Nina Evon, Jason Kaplan, Juliet Labreque, Maddie Levy, Jacob Mackinnon, Athena Matthes, Christian Michael, Liz Pelkey, Emma Pepe, Maz Rambam, Nathan Vereb and Avigail Wus. Every year the number of students involved grows immensely. It is one of the most well-attended shows of the year! Thespian Troupe 830 is under the guidance of Director Damari Fallacaro, Assistant Director Olivia Schanbacher and Costume Designer Ruth Schanbacher.

*Thursday Night Live!* was started 9 years ago as a fundraiser to help troupe members offset costs of attending the PA State Thespian Conference. In the spirit of 'giving as we receive' toiletry donations were collected for a local women's shelter. Thereafter Troupe 830 maintained the tradition of giving back to our local community. This year canned goods will be donated to our high school's food pantry run by the school nurse. Pennsbury High School's food pantry assists with providing food to our most vulnerable students. The pantry needs foods that a student can heat up such as canned ravioli, soups, mac and cheese cups, oatmeal, individual snack bags and fruit cups.

Tickets are \$10 for Adults and \$5 for Students and can be purchased at the door. Cash only.  
**Adults that bring in a donation will have their ticket discounted to the student price of \$5.**

Other performances this year include: *Almost, Maine* on Nov 21, 22 and 23; and their traditional *Magic Theatre* matinee on November 23. More information on Pennsbury High School Drama Thespian Troupe 830 can be found at [www.pennsburydrama.org](http://www.pennsburydrama.org)
