National Junior Honor Society

Pennwood Middle School Community Service Hours

To ensure that all members remain active members of Pennwood's National Junior Honor Society and continue to uphold the values they pledged, we require all current NJHS members to have a minimum of 5 hours of community and/or school service hours per semester (10 hours total). Service hours can be earned by helping with our school service projects or on your own outside of school. Please use this chart to record and maintain your volunteer hours. This chart will be collected after the second marking period and at the end of the school year. Failure to complete or turn in your volunteer hours may result in the loss of you NJHS membership.
