

Pennsbury School District

Diabetic Supply Checklist

Dear Parent/Guardian of: _____,

For the _____ school year, below is a helpful checklist of the diabetes supplies your child may need during the school day.

- _____ Glucometer
- _____ Monitor test strips
- _____ Alcohol Pads
- _____ Lancets
- _____ Insulin (insulin pens, vials, etc...)
- _____ Syringes
- _____ Extra Pump Tubing and Supplies
- _____ Ketone Test Strips
- _____ Glucose Tabs
- _____ Water
- _____ Protein/Carbohydrate Snacks
- _____ Juice
- _____ Physician Care Plan/Orders for Medications from Endocrinologist
- _____ Sliding Scale
- _____ Doctor's Order for Independent Care & Insulin Pump Site Changes

Please Note: The nurse will observe the student during pump site changes. The nurse **will not** change the site. If the student is not independent in this procedure, the parent will be called.

Please bring all supplies to the nurse's office. The supplies will be kept in a secure location. **A physician's order is required if your child is independent in their care and will be carrying their supplies with them during the school day.**

***High School Students* Please provide supplies for both East and West Campuses.**

Thank you for your cooperation.
