# AOY ART SUMMER CAMPS

*This summer is the perfect opportunity for kids to express their creative side and have a fun time in a nurturing environment!*

Make new friends this summer at AOY Art Center, an award-winning Bucks County art center. From June 17 through August 16 campers ages 5-16 are encouraged to explore drawing, painting, sculpting, printmaking and so much more! We are offering over 70 week-long amazing camps, with exciting new camps in designing & sewing doll clothes, fiber arts, fashion, spa & beauty, oil painting, leather & woodworking, gelli printing, acrylic painting, jewelry making, hydro dipping and watercolor painting. Young artists will enjoy picking from our many fun themed camps. Children receive individualized instruction from professional teaching artists. Extended child care hours are available before camp, starting at 7:30 am, and following camp until 6 pm. Register for a morning camp (9 am-12 pm) or an afternoon camp (1-4 pm). Enjoy a free supervised lunch period when registering for both a morning and afternoon camp.

All camps are held at AOY Art Center, on beautiful Patterson Farm in Lower Makefield Township, conveniently located by the I-295 / Rt. 332 interchange.

Please see the other side for our camp schedule . . . ➤
