Administrative Procedure 810.5R1, *Extra-Curricular and Co-Curricular Transportation*.

**Policy:** School Bus Usage

Pennsbury school buses may be provided for after-school activities at the secondary level such as band practice, play practice, subject matter instruction and athletics as directed by the Superintendent.

Pennsbury school buses shall be limited to traveling no more than 100 miles from the School District. Pennsbury school buses shall not be used to transport students to New York City and surrounding areas thereof. Any exceptions to the above will be referred to the Superintendent for his or her approval.

Pennsbury buses shall be available from 9:30 a.m. to 1:45 p.m. Monday through Friday when Pennsbury Schools are in session for extra-curricular and co-curricular activities and any similar event or exhibition held under the supervision of school authorities, in which students are participants.

Pennsbury buses are also available for Pennsbury recreation programs that occur on nights, weekends, or non-school days.

Transportation to away games for spectators may be furnished as directed by the Superintendent.

The Transportation Department shall accept transportation requests and assign them to Pennsbury drivers if appropriate buses or vans are available to provide the service. Examples of buses not being available would be when they are otherwise providing regularly scheduled Pennsbury to-or-from school service, when the trips are outside the customary Pennsbury geographic service area, and when Pennsbury transportation is not economically advantageous to the Pennsbury users.

The Superintendent shall establish and publish detailed procedures to implement this policy.

Administrator:** Director of Transportation
